O R D E R

The Commission, on its own motion, hereby initiates this investigation of the compliance strategies being studied and planned by Kentucky's five electric generating utilities to meet the requirements of the Clean Air Act Amendments of 1990. The purpose of this proceeding is twofold: 1) to provide a vehicle for the Commission to gather information regarding the compliance options being considered by each electric generating utility; and 2) to provide each utility an opportunity to express its concerns and recommendations on any issue related to the implementation of the Clean Air Act Amendments of 1990.

IT IS THEREFORE ORDERED that:

1. Kentucky Utilities Company, Louisville Gas and Electric Company, Kentucky Power Company, East Kentucky Power Cooperative, Inc., and Big Rivers Electric Corporation shall be made parties to this proceeding and shall, within 20 days of the date of this Order, file 12 copies of any reports, studies, or plans, prepared either in-house or by outside consultants, detailing their compliance options and strategies relating to the Clean Air Act Amendments of 1990.

2. Any affected utility shall have 20 days from the date of this Order to file 12 copies of written comments expressing concerns and recommendations on any issue related to its compliance with the Clean Air Act Amendments of 1990.

Done at Frankfort, Kentucky, this 15th day of August, 1991.
